

EXHUMATION OF GRAVES AT BLOCKS 23, 24, 25, 26, N-429, N-1-1 AND N-1-2 WITHIN CHOA CHU KANG MUSLIM CEMETERY (PUSARA ABADI) [PHASE 10]

The National Environment Agency (NEA) conducts regular exhumation programmes at Choa Chu Kang Cemetery to ensure sustainable land use for future burials.

Muslim graves at Blocks 23, 24, 25, 26, N-429, N-1-1 and N-1-2 will be exhumed after the registration closing date (please refer to location map). The exhumed remains will be reinterred at Choa Chu Kang Muslim Cemetery. NEA has appointed Majlis Ugama Islam Singapura (MUIS) to carry out the registration, verification, exhumation, shrouding and reinterment services for the Phase 10 exhumations.

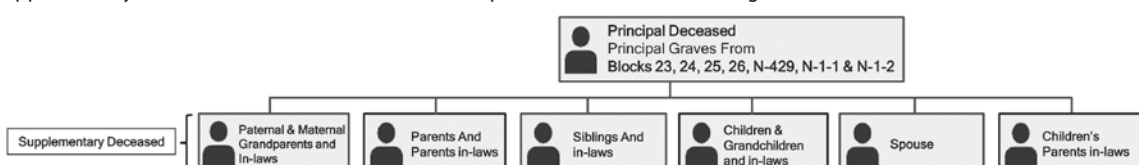

PRINCIPAL GRAVES

Family members are encouraged to claim the remains of their Next-of-Kin (the **“Principal Deceased”**) buried in these blocks of the cemetery. The claim period will be **one year**, from 10 June 2025 to 9 June 2026. The Government will bear all exhumation and reinterment costs. For Principal Graves, if a written objection is submitted to MUIS from any family member and cannot be resolved, the claim will be voided and the deceased will be exhumed as unclaimed (meaning the exhumation will proceed without a family claim).

SUPPLEMENTARY GRAVES

Family members may also claim remains of other deceased family members (the **“Supplementary Deceased”**) buried within Choa Chu Kang Muslim Cemetery outside of Blocks 23, 24, 25, 26, N-429, N-1-1 and N-1-2 who are **related to the Principal Deceased** so that the remains from the same family can be reinterred in the same or adjacent grave plots. The Supplementary Deceased must meet the **minimum burial period of 15 years** prior to the registration closing date.

Supplementary Deceased must be related to the Principal Deceased in the following manner:

- For each registration of Supplementary Grave, a **non-refundable fee of \$80** (before GST) per grave will be charged.
- Should any family member submit a written objection to MUIS regarding the registration or exhumation of a Supplementary Grave, the registration will be cancelled, and the exhumation will not proceed.
- Family members must produce a Death or Burial Certificate to register for Supplementary Graves. Alternatively, they may obtain a **burial extract** from NEA's Choa Chu Kang Cemetery Office for a fee of **\$20** (after GST).
